

INDUCTION
Black Line
KITCHEN-WARE

Aus dickem Massivstahl, sandgestrahlt, mit Vorgebrauchsschutz behandelt. Stiel aus Temperguss. Eisenpfannen können sehr hoch erhitzt werden, so dass diese perfekt zum krossen Anbraten für köstliche Bratkartoffeln oder zarte Steaks geeignet sind.

Made of thick, sand-blasted steel with protective coating, malleable cast iron handle; suitable for all types of stove, including induction. Due to the high temperature these pans are perfect for delicious fried potatoes or tender steaks.

Acier massif épais sablé, traité avec protection pré-utilisation. Barre en fonte malléable, compatible tous feux, induction incluse. Grace à la haute température ces poêles sont parfaites pour les pommes de terre sautées ou des steak fondants.
