FACT SHEET

Pacojet 1, Pacojet 1 Jubilee Edition & Pacojet 2

PACOJET JUBILEE EDITION

• **New pacotizing features for fresh, frozen foods:**

- **whole and decimal portions** – perfect for precise quantities
- **optional Air pressure mode** – for pre-selection, release during operation possible
- **overflow rescue function** – senses & recovers overfilled beaker content automatically without need to thaw.

• **New applications for fresh, non-frozen foods with the Pacojet Coupe Set*:**

- **Dedicated cutting/chopping mode** – for tatar, farces, herbs...
- **Dedicated whipping/mixing mode** – for liquid foods
- **Without generating heat** – a processing cycle = 1 minute!

• **Exclusive, Swiss engineered 'brushless' motor with extended 5 year warranty** – outstanding performance and reliability, significantly quieter operations

• **New international Pacojet 2 recipe book** – a fantastic 5 language masterpiece including the "basics" & featuring exquisite culinary inspirations by Pacojet Chefs from around the World

• **Illustrated user manual** – guides the operator step-by-step

• **Cleaning instructions on display** – even better user guidance for simple and secure cleaning of food contact zone

• **Customization of user-settings** – customize your Pacojet 2 to fit your preferences and needs

• **High-quality accessories with sustainable value** – all Pacojet 1 accessories are compatible with Pacojet 2

*Pacojet Coupe Set sold separately
