kenny mack designs
unique resin designs for the table and beyond...

PRODUCT INFO

All Kenny Mack Designs are food & dishwasher safe.

CARE

- Lead Free (Prop 65), BPA Free, Food Safe.
- Commercial Dishwasher Safe
- Do not use in Microwave, Oven or on Stove Top.
- For Cold and Room Temperature Foods only.
- Do not use under Heat Lamps or in Warming Ovens

MAINTAIN

- A frosty film may appear on resin after washing over time. This is easily removed. Use a small amount of cooking oil or cooking spray, rub with a soft cloth and rinse. The resin will return to its original luster.
- Light scratches and scuff marks are also easy to remove. Use a Scotch Brite pad or any other mildly abrasive scouring pad and rub the scratches with the pad. A little soap and water or cooking oil on the pad may help alleviate or better disguise scratching. Never use sharp or serrated knives on resin. Those marks cannot be removed.
- Break resistant: Resin is highly durable and shatter proof but it is not break proof. It should be handled with care and treated as if it were glass or ceramic.

OUR COLORS

CUSTOM DESIGNS

To view our complete color palette and to learn more about our custom design capabilities, please visit www.dwhaber.com or contact us: sales@dwhaber.com

- **Disclaimer:** Because our designs are handmade and finished, we do not guarantee color matching or that any two pieces will be exactly alike.
