

the juicer

Two types of
orange juice
at the touch
of a button

What's your orange mood today?

Top Dutch designers and engineers challenged the status quo of the citrus press. We wanted to develop the best in the world. After five years of hard work and endless testing, we achieved all of our objectives. A new citrus icon is born.

- Iconic design, rock-solid quality
- A joy to use, easy to clean
- Fast juicing (1,450 rpm)
- Suitable for citrus fruits and pomegranates
- Commercial-grade brushless motor (lasts a lifetime)
- Highest-grade stainless steel cone (dishwasher safe)
- Dutch design and engineering
- Five-year warranty
- Made in Europe
